Dear Potential Mentor,

**Be present and make an impact!**

In our own lives, each of us was inspired by someone, other than our parents. Someone who introduced us to new worlds and brought a little magic into our lives. As a mentor, you get the opportunity to do just that. Celebrate the joy of everyday moments and bring magic into a mentee's life. These moments aren't just for the mentees. You get back as much as you give; knowing you enriched a mentee's life just by being present.

**We make sure our children are placed with the mentor that fits them best.**

Congratulations on taking the first step to making a huge difference in a mentee's life. Once you complete the forms that are attached and return them to us, we will begin to conduct a background investigation for any child abuse/neglect charges. The references you provide will be contacted. If all items prove favorable, you will be contacted for an interview. Training will be offered to you to help support your match. We will make every attempt to match you with a child that shares similar interests.

**Yes! I want to be there and make a difference!**

We are asking that you spend quality time with the child you are matched with on a regular basis, whatever that may look like between you and your mentee. It will be up to the two of you to decide what that ultimately looks like. We will be there to support you every step of the way. Please contact us if you have any questions.

Sincerely,

Bill Schneider  
Executive Director
